ChatbotCraft Server Guide

This guide serves as a comprehensive resource for players joining the **ChatbotCraft** server. **ChatbotCraft** is a community-focused Survival server that enhances the vanilla Minecraft experience with custom plugins, fair gameplay, and regular events. It is regularly updated to reflect the latest server features, rules, and commands. Please read this guide carefully to ensure a smooth and enjoyable experience.

1. Introduction and Basic Information

What is ChatbotCraft?
ChatbotCraft, established in 2023, is a rapidly growing Minecraft server emphasizing Survival gameplay with quality-of-life plugins. Players can build freely, gather resources, trade, and participate in community events. The server prioritizes fair play with strong anti-grief measures.

Server Specifications:

* **Supported Version:** 1.21.1 (Java Edition). Compatibility updates for newer versions are planned.
* **Server IP:** `play.chatbotcraft.com` (Port: Default 25565).
* **Maximum Players:** 500+ (queues may form during peak hours).
* **Plugins:** EssentialsX, GriefPrevention, Vault, Jobs Reborn, Shopkeepers, AuctionHouse, McMMO, Multiverse, and more.
* **Website:** [www.chatbotcraft.com](https://www.google.com/search?q=https://www.chatbotcraft.com) – Profile management, store, and forums.
* **Discord:** [discord.gg/chatbotcraft](https://www.google.com/search?q=https://discord.gg/chatbotcraft) – Live support, announcements, and chat.
* **Language Support:** English and Turkish (primarily English).
* **Uptime:** 24/7 with 99.9% guarantee.

Suitable for beginners and veterans, with starter kits and a welcoming spawn area.

2. Connecting to the Server

1. **Download and Update Minecraft:** Use the official launcher and select version 1.21.1.
2. **Add Server:**
* Multiplayer > Add Server.
* Server Name: **ChatbotCraft**.
* Address: `play.chatbotcraft.com`.

3. **Join:** Connect with one click. License verification may occur on first login.
4. **Troubleshooting:**
* Connection issues: Check firewall, update Java, or test ping with `/ping`.
* Bedrock support coming soon.

4. Claim and Protection System

Powered by GriefPrevention:

* **Golden Shovel:** Create claims (right-click corners).
* **Golden Bucket:** Sub-claims.
* **Bottle o' Enchanting:** View claim info.
* **Redstone Dust:** Extend claims.
* **Limits:** 100 blocks free; VIP boosts apply.

Tip: Use `/claiminfo` to inspect boundaries. Avoid trusting unverified players.

5. Economy System

Currency: Coins.

* **Earning Methods:** Mining, farming, mob kills, Jobs, events.
* **Shops:** Player/admin shops at `/warp shop`; Auction House at `/ah`.
* **Bank:** Secure storage with daily interest (0.5%).

6. Server Rules

Violations result in escalating penalties: Warning > Mute > Kick > Ban.

1. **Chat:** No swearing, racism, or harassment. Penalty: 2-hour mute (repeat: 24-hour).
2. **Cheats:** X-Ray, KillAura, etc., prohibited. Permanent ban + IP ban.
3. **Griefing/Theft:** No destruction/theft outside claims.
4. **Advertising:** No external server IPs. 1-week ban.
5. **PvP:** Disabled in spawn/claims; enabled in `/warp pvp`.
6. **Alts/Bots:** Banned. All accounts penalized.
7. **Scams:** Trade fraud results in refunds + bans.
8. **Staff Disrespect:** Temporary ban.

Reporting: `/report` or Discord #reports.

7. VIP Membership Ranks

Purchase via website (Tebex: Credit Card, PayPal, Crypto).

Rank	Monthly Price (USD)	Benefits
Iron	$5	2 homes, /hat, /nick, daily kit.
Gold	$10	/fly, 3 homes, /feed, /heal, custom prefix.
Diamond	$20	10 homes, exclusive kit, /workbench, 50% claim boost, VIP chat.
Legend	$40	Lifetime Gold+Diamond perks, effects, queue priority, custom home.

Lifetime Packages: 30% discount (e.g., Gold Lifetime: $100). Auto-renewal available.

8. Events and Competitions

* **Weekly:** Build contests, PvP tournaments (`/event`). Prizes: 10,000 Coins + VIP.
* **Monthly:** Boss raids (`/warp boss`).
* **Seasonal:** Holiday themes (announcements on Discord).

9. Tips and Tricks

* **Starter Strategy:** Leave spawn, build wooden base, claim immediately.
* **McMMO Leveling:** Focus on high-yield skills (`/mcmmo`).
* **Optimization:** Use OptiFine; set render distance 8-12.
* **Security:** Use `/msg` for trades.

10. Frequently Asked Questions (FAQ)

Q: My claim limit is reached?
A: `/abandonall` or upgrade VIP.

Q: How to earn money fast?
A: Join Jobs, build mob farms.

Q: Banned? Appeal?
A: Open ticket in Discord #appeals.

Q: Mob farm tutorial?
A: `/warp tutorial`.

11. Support and Contact

* **Staff List:** `/staff`
* **Tickets:** Discord #support
* **Suggestions:** Website forums.
* **Updates:** @chatbotcraft Discord role.

Welcome to the **ChatbotCraft** family! Enjoy your adventures.
